therefore evidence of excellence in teaching Theoretical/Quantum Chemistry at the graduate levels is mandatory; ii) must demonstrate an outstanding record of research and external funding and is expected to complement the current research in the CATCO group; iii) will strongly benefit from the excellent high performance computing facilities available on the SMU campus. Although all sub-disciplines of Theoretical Chemistry will be considered, applicants with a strong background in Materials Science, Nanotechnology and Photonics including method development will be given special attention.

Applications must be submitted electronically in one single PDF file to ekraka@smu.edu and should include a statement of research and teaching interests, curriculum vitae and contact information for three references. To ensure full consideration, the application must be received by October 15, 2017, but the committee will continue to accept applications until the position is filled.

EEO/AA Policy

Southern Methodist University will not discriminate in any program or activity on the basis of race, color, religion, national origin, sex, age, disability, genetic information, veteran status, sexual orientation, or gender identity and expression. The Executive Director for Access and Equity/Title IX Coordinator is designated to handle inquiries regarding nondiscrimination policies and may be reached at the Perkins Administration Building, Room 204, 6425 Boaz Lane, Dallas, TX 75205, 214-768-3601, accessequity@smu.edu.

Hiring is contingent upon the satisfactory completion of a background check.
