Job Description	

The Department of Mathematics at Syracuse University seeks to fill two tenure-track positions in Statistics at the assistant professor level, beginning August 2018. A Ph.D. in Statistics or a Ph.D. in Mathematics with concentration in Statistics is required. Candidates should have a record of strong accomplishment and potential in both research and teaching. We will also consider expressions of interest for a senior position from senior faculty members in Statistics. The department also seeks candidates who value Syracuse University's commitment to diversity and inclusion.

Applicants from all areas of statistics are encouraged to apply. Preference will be given to candidates whose research interests overlap or complement those of the existing faculty and have a computational component. See <http://math.syr.edu> for more information.

Applications must be done in two steps:

Step 1. Candidates must submit an online faculty application with a CV at this website,
