**Job Description**

Columbia University  
Department of Applied Physics and Applied Mathematics  
Open-rank Faculty Position in Applied and Computational Mathematics

The Department of Applied Physics and Applied Mathematics at Columbia University's Fu Foundation School of Engineering and Applied Science in New York City invites applications for one faculty position at the assistant professor, associate professor or full professor level for up to one year, starting in the Fall 2017 or Spring 2018. The teaching load is one course per semester.

The Applied Mathematics Program within APAM has strong research and educational programs in Applied and Computational Mathematics and its applications in many areas of Applied and Engineering Physics, Earth and Environmental Sciences, and Biological Sciences.

Candidates must have a Ph.D., or equivalent doctoral degree, in Applied Mathematics, Mathematics or a related field. The ideal candidate is one who is a very strong applied and computational mathematician with a record of high-quality teaching graduate (Ph.D.) level courses in core applied mathematics, such as applied partial differential equations, applied stochastic and multiscale analysis, and other important areas at the frontier of modern applied mathematics, a research profile compatible with Columbia Applied Mathematics faculty, and an interest in contributing to activity in the Applied Math Program through interactions with students, postdocs, participation in seminars etc.

#### Application Process

All applications must be initiated through Columbia University's online Recruitment of Academic Personnel System (RAPS) at:

<https://academicjobs.columbia.edu/applicants/Central?quickFind=64742>

In addition, applicants are asked to also apply at: <https://www.mathjobs.org/jobs/jobs/10319>

Applicants should submit electronically the following: curriculum-vitae including a publication list.

The completion of this brief process is indicated by a confirmation number which the applicant should retain.

#### Additional Information

Columbia is an affirmative action/equal opportunity employer with a strong commitment to the quality of faculty life.

Applicants can consult <http://www.apam.columbia.edu> for more information on the department.

#### **EEO/AA Policy**

Columbia University is an Affirmative Action/Equal Opportunity Employer. Women and minorities are urged to apply.
