Job Description:

UNIVERSITY OF NEBRASKA -- LINCOLN
Faculty Positions in Chemistry
Assistant or Associate Professors

The Department of Chemistry at the University of Nebraska -- Lincoln, invites applications for several tenure-track/tenured faculty positions, at the Assistant or Associate Professor rank.

We are particularly interested in applicants with research interests in Homogeneous or Heterogeneous Catalysis, broadly related to Energy Science (requisition #090497), Organic Chemistry, broadly related to defining and/or modulating macromolecular interactions, assembly and function (Assistant Professor applicants only -- Requisition #090496) and Mass Spectrometry, related to Bioanalytical or Biophysical Chemistry (Requisition #090504).

Applicants should have Ph.D.s in Chemistry or a related discipline, a demonstrated research record, the potential for establishing and/or maintaining a nationally prominent and competitively funded research
