Job Description:

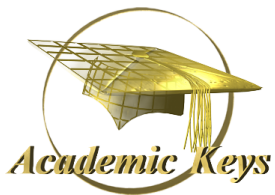

The Petroleum Geosciences Program at the Petroleum Institute (PI) is seeking applications for the following positions:

Chaired Professor, Distinguished Professor
Professor, Associate Professor, Assistant Professor
Research Associate

Program Faculty will be expected to teach undergraduate and graduate courses, develop an active research program and to engage in professional and institutional service activities.

Opportunities to interact with PI industrial stakeholders and other local industries will be a key feature in the development of a research program.

Interested candidates should submit all materials, online, at:
