Posted Jun. 13, 2023, set to expire Jun. 13, 2024

The College of Science (COS) at the United Arab Emirates University (UAEU) invites highly qualified individuals to apply for an instructor position. The candidate will contribute to the laboratory teaching of structural geology, engineering geosciences, GIS and field geology at the undergraduate level. The holder of the position will be expected to contribute to administrative and community services and participate in the department research projects. The candidate is expected to participate in fieldwork and visits as part of course and department activities.

Minimum Qualification:

Qualifications include M.Sc. in Geosciences. Practical or industrial experience related to any of the geoscience specializations above is a plus.

Preferred Qualification:

Candidates are expected to have a strong commitment to laboratory teaching excellence and student advising at the undergraduate levels.
