Application Deadline: Nov. 1, 2009
Position Start Date: Available immediately

Job Categories: Assistant Professor
Associate Professor

Academic Field(s): Chemistry - Inorganic
Chemistry - Biochemistry
Chemistry - General

Job Website: <http://www.udel.edu>

Apply By E-mail: schedule@udel.edu

Job Description:

The Department of Chemistry and Biochemistry invites applications for the position of Assistant or Associate Professor.

The University of Delaware has identified Energy, the Environment and Human Health as areas of strategic importance. Research interests addressing any of these initiatives and the ability to teach Inorganic Chemistry at all levels are desired.

This tenure-track/tenured appointment will commence September 1, 2010.

The successful candidate will demonstrate a strong commitment to excellence in research and teaching and is expected to establish an externally funded and highly visible research program, that complements current research activities at the University.

Applicants should send descriptions of initial research plans, curriculum vitae and three letters of recommendation, to:

Chair -- Faculty Search Committee
University of Delaware
Department of Chemistry and Biochemistry
