## Job Description:

To view and apply for this position please visit [www.usfjobs.com](http://www.usfjobs.com)

### Job Description

The Department of Computer Science at the University of San Francisco invites applications for a tenure-track position beginning in August, 2010. While special interest will be given to candidates in bioinformatics, game engineering, systems, and networking, qualified applicants from all areas of Computer Science are encouraged to apply.

The department has nine full-time faculty members and offers a B.S. in Computer Science and M.S. degrees in Computer Science and Web Science. Faculty maintain active research in a variety of areas, including distributed systems, artificial intelligence, programming languages, and parallel computation.

### Essential Job Responsibilities

Applicants will be expected to teach both undergraduate and graduate courses and to maintain an active research program that involves students.

### Requirements

Successful candidates will have a Ph.D. in Computer Science or a closely related field and a demonstrated commitment to teaching.

### Special Instructions to Applicants
