Job Description

Kean University is a world-class, vibrant and diverse institution offering 50 undergraduate majors and 80 graduate programs and options leading to masters and doctoral degrees, professional diplomas and certifications. Kean distinguishes itself through excellence in academics, strategic investments in both research and cultural facilities and initiatives and a commitment to the success of every student. Dedicated to preparing students for rewarding careers, lifelong learning and fulfilling lives, Kean offers a broad range of disciplines, the expertise of a diverse and world-savvy faculty and a student-centered learning environment and campus community. The University sits on three adjoining campus sites in Union County, New Jersey covering 180 acres, two miles from Newark Liberty International Airport and thirty minutes from New York City, with additional locations in Ocean County, New Jersey - Kean Ocean and Jefferson, New Jersey - Kean Skylands. Kean University also operates a unique, additional location in Wenzhou, China, where development of a full-scale campus is currently underway.

A Lecturer is a twelve-month, full-time employee who teaches 39 credits per year and provides student and learning support services during the assigned periods. The Lecturer holds a strong commitment to teaching; maintains office and advising hours for students; actively participates in the university community; and does related work as required. This is a non-tenure track position that may be renewed on an annual basis. Teaching assignments and related responsibilities may include day, evening, weekend and online courses. Interest or experience in using advanced instructional technologies to improve the teaching/learning process is highly desirable. Courses may be taught at the Union campus, Kean Ocean, Kean Skylands or other locations. All lecturers may be required to teach General Education courses. Positions are effective for the fall 2019 semester.

College of Natural, Applied and Health Sciences

School of Computer Science

Computer Science - to teach undergraduate courses in programming and upper level elective courses such as robotics, web design and programming, cybersecurity, networking, mobile applications and/or others based on area of expertise. Candidate will join an established program which incorporates undergraduate research opportunities and will mentor undergraduate research students. Master's degree in Computer Science, Information Technology, Technology Education or a related field and a minimum of one year of teaching experience at the post-secondary level is required. Candidates with industry experience are encouraged to apply.

Contact: Search Committee Chairperson, at kucsdept@kean.edu.
