The specific courses involved may vary from semester to semester and openings to teach these courses develop on a periodic basis, depending on department teaching needs.

The anticipated need is for Adjunct Instructors whose duties may include but are not limited to teaching any undergraduate or Master's level courses in:

BIOL 1132, Environmental Science; BIOL 1710 Biology for Science Majors I; BIOL 1720, Biology for Science Majors II; BIOL 2301, Human Anatomy & Physiology I; BIOL 2302, Human Anatomy & Physiology II; upper-division courses (various)

Minimum Qualifications:

Master's degree with 18 advanced hours in an area of the biological sciences relevant to the course assignment. College teaching experience required.

The University of North Texas System and its component institutions are committed to equal opportunity and comply with all applicable federal and state laws regarding nondiscrimination and affirmative action. The University of North Texas System and its component institutions do not discriminate on the basis of race, color, sex, sexual orientation, gender identity, gender expression, religion, national origin, age, disability, genetic information, or veteran status in its application and admission processes, educational programs and activities, and employment practices.
