Geography/Geology to begin in August 2020. We are seeking a broadly-trained physical geographer who is able to teach introductory courses in physical geography and geology as well as courses in the Geography major and Geology minor, including upper division electives in their area of expertise.

Application Deadline: The search committee will begin its review of applications on 1 November 2019, and continue to accept and review applications until the position is closed.

Minimum Qualifications:

Teaching experiences in physical geography and geology

The University of North Texas System and its component institutions are committed to equal opportunity and comply with all applicable federal and state laws regarding nondiscrimination and affirmative action. The University of North Texas System and its component institutions do not discriminate on the basis of race, color, sex, sexual orientation, gender identity, gender expression, religion, national origin, age, disability, genetic information, or veteran status in its application and admission processes, educational programs and activities, and employment practices. A Ph.D. in physical geography or a closely related field is required at the time of appointment.
