**Job Description**

The Department of Computer Science at the University of Central Arkansas is seeking exceptional candidates for a tenure-track Assistant Professor position in Cybersecurity beginning in August 2020. Currently, the department has 15 full-time faculty members and offers BS programs in Computer Science (accredited by ABET CAC), Computer Engineering, and Cybersecurity as well as an MS program in Computer Science.

A doctorate in Computer Science, Computer Engineering, Electrical Engineering, or a related discipline with a focus on Cybersecurity is required by the start date of the position, but ABD candidates will also be considered. Preference will be given to candidates with expertise in applications of Artificial Intelligence, Machine Learning, or Data Mining in Cybersecurity. Duties include teaching at both the undergraduate and graduate levels, research, and professional service.
