**Job Description**

Assistant Professor of Computer Science

The Pennsylvania State University at Harrisburg, School of Science, Engineering and Technology, invites applications for a tenure-track Assistant Professor in Computer Science, effective fall semester 2020. The position requires a Ph.D. in Computer Science. Applicants with experience and research interests in software engineering/software design, compilers, or principles of programming languages will be given priority. Individuals with other areas of research interest may also be considered.

Candidates will be evaluated on teaching and research potential. Salary level commensurate with qualifications and experience. Faculty are expected to teach courses for the B.S. and M.S. degrees in Computer Science, pursue scholarly research and publication, contribute to curriculum development, participate in University/professional service activities, advise undergraduate and graduate students, and serve on graduate level degree committees.
