Adjunct faculty are hired in a part-time capacity on an as needed basis. These positions are filled prior to or during the start of each semester and are contingent upon the needs of the College.

Lee College accepts application materials for adjunct employment on a continuing basis throughout the year from qualified applicants willing to teach on a part-time basis.

Academic departments will contact potential applicants when there are available openings.

Duties and responsibilities include, but are not limited to:

- * Teach sophomore level Microbiology courses.
- * Qualified applicants must be committed to student learning, integrating technology into the curriculum, and encouraging engaged scholars.
- * Maintain accurate student accounting records in compliance with Lee College requirements.
- * Submit required student reports to the Admissions & Records Office according to schedule.
- * Direct and evaluate the learning experience of the students in accordance with adopted curricula and approved procedures.
- * Teach assigned classes in keeping with approved syllabi, outlines, and instructional materials.
- * Provide counsel/guidance to students when there is a need.
- * Faculty members may be required to teach evening, summer, online, hybrid, dual enrollment, and/or weekend classes.

Additional duties and responsibilities may include, but are not limited to:

- * Perform other duties as assigned.

College benefits do not accrue with this part-time position. This is a security sensitive position.

Lee College does not discriminate on the basis of gender, disability, race, color, age, religion, national origin, or veteran status.

Minimum Qualifications:

- *
- * Qualified candidates must have a Masters (or higher) degree in Biology or a Masters (or higher) degree with 18 graduate hours in the teaching field.
