in a range of technical areas including Engineering Technology, Health Sciences, Industrial Trades, Business Studies and Information Technology, CNA-Q brings the State closer to the goals of the Qatar National Vision, 2030.

The Foundation Program invites applications for positions at the level of Lecturer, Senior lecturer or Assistant Professor in Mathematics.

#### Your commitment

Reporting to the Academic Manager of Foundation Studies, the successful candidate will be responsible for the development, delivery and evaluation of a broad range of courses within Foundation Studies. They will evaluate student progress and manage the resources of the learning environment. The successful candidate will liaise with industry and other educational institutions; participate in industry advisory committees and coordinate, manage and control projects within the specified program area. Faculty members will keep course portfolio documents required for accreditation processes and engage in instructional development/improvement plans. All employees are expected to contribute to professional and community life within the College and beyond.

#### Rank

Faculty members will be placed in the appropriate rank based on their education and experience for the role.

#### Qualifications

For Assistant Professor - A PhD or an equivalent Terminal degree in Mathematics, or a related-program of study. A minimum of 5 years teaching experience in a post-secondary, adult training or industry training environment, along with 5 years of employment experience as a practitioner/professional within a relevant discipline. Candidates should also be recognized in the following criteria:

Contribution to the advancement of knowledge through applied research, scholarship, publication, knowledge transfer or professional practice which would be expected to be international in its scope;  
Contribution to the advancement of learning by the leadership of teaching and curriculum development;  
Professional recognition and standing amongst peers;  
Academic subject leadership or academic management.

#### For Senior Lecturer (Senior Technical Instructor)

A minimum of Master's degree (or equivalent as designated and approved) in a relevant discipline from a recognized, accredited institution.

A minimum of 5 years teaching experience in a post-secondary, adult training, or industry training environment,

A minimum of 5 years of employment experience as a practitioner/professional within the relevant

discipline.

**Preferred Qualifications:**

Certificate, Diploma or Degree in Education (e.g. CELTA, Post-secondary Education, Adult Education or Vocational Education)

Record of successful participation/leadership in applied research projects

Experience in leadership and innovation in technology based project

**Other Required Skills:**

Commitment to applied and experiential learning as a pedagogy and a key feature of the College's mandate

Ability to design, develop, deliver, and evaluate authentic learning experiences and assessments incorporating contemporary tools and resources to maximize content learning in context and to develop the knowledge, skills, and attitudes identified in program outcomes

Digital literacy and demonstrated fluency in technology systems, and an ability to model and facilitate use of current and emerging digital tools to support research and learning

Demonstrated ability to develop technology-enriched learning environments that enable students to be active participants in their own learning

Commitment to the effectiveness, vitality, and self-renewal of the teaching profession through self-driven continuous professional development and life-long learning

Effective oral and written communication skills

Collaborative and collegial spirit and a demonstrated ability to establish rapport with learners, colleagues, sponsor-employers, and members of the community

Ability to initiate applied research projects

**How to Apply:**

Applications should be submitted via our online application portal. You must meet all essential qualifications in order to be appointed to the position. Other qualifications may be a deciding factor in choosing the person to be appointed. Some essential and other qualifications will be assessed through your application, which may include (but need not be limited to) curricula vitae, cover letters, references, teaching dossiers, and sample publications. It is your responsibility to provide appropriate examples that illustrate how you meet each qualification. Failing to do so could result in your application being rejected. Applicants must apply online.

We thank all those who apply. Only those selected for further consideration will be contacted.
