Job Title	Graduate Student (Ph. D. and combined M. Sc./Ph. D.) Positions in Organic Chemistry
Department	Chemistry and Nanoscience
Institution	Ewha Womans University Seoul, Seoul, South Korea
Date Posted	Jun. 30, 2020
Application Deadline	Oct. 1, 2020
Position Start Date	Mar. 1, 2021
Job Categories	Graduate Student
Academic Field(s)	Chemistry - Organic

Apply By Email

Job Description

Graduate Student (Ph. D. and combined M. Sc./Ph. D.) Positions in Organic Chemistry

The Molecular Design Laboratory (Department of Chemistry and Nanoscience, Ewha Womans University, Seoul, Korea) is recruiting graduate students in organic chemistry for fully funded (tuition fees + stipend) positions beginning in the Spring of 2021 (Application Deadline: Oct. 2020).

We are looking for motivated students who seek excellence in their academic program and in research. The candidates should have an interest in organic chemistry at large, including one or more of the following areas: organic synthesis, synthetic organic methodology, catalysis, physical organic chemistry, organometallic chemistry, synthetic organic materials chemistry or organo-main group element chemistry. Experience in research or in experimental organic chemistry is highly desirable.

Candidates should send a CV and their statement of interest to Prof. Jean Bouffard by email: bouffard [at] ewha.ac.kr.

You can find out more about the research group at: <http://myhome.ewha.ac.kr/user/bouffard>
