Job Description

The University of North Texas, a Hispanic-Serving Institution and a Carnegie Research Tier 1 institution, invites applications for a multiyear Continuing Lecturer position in the Department of Biological Sciences. Duties will include teaching 3-4 courses per semester, with an upper-level Biochemistry class in combination with other courses such as Introductory Biology for Biology Majors, Molecular Biology of the Gene, Genetics, Microbiology or Cell Biology. On the job training and transition into student advising is possible. For additional information contact Dr. Douglas Root at droot@unt.edu.
