in the areas of Theoretical Chemistry, Polymer Chemistry, Material Chemistry, Main Group Chemistry and Catalysis, and scholars whose work is interdisciplinary are especially encouraged to apply. IITGN is looking for applicants with a passion for teaching and demonstrated excellence in research. Successful candidates will be expected to teach undergraduate and postgraduate courses, conduct independent research in their fields of expertise and contribute to Institute service.

IIT Gandhinagar has embarked on an ambitious journey to become the best educational institute in India and among the best in the world. The institute promotes critical thinking and encourages innovations. We have experimented with numerous ideas in curriculum, student affairs, faculty recruitment, and faculty management. Interdisciplinarity and diversity are our DNA. Our faculty members graduated from world's leading institutes and 80% have overseas degree or post doc experience. We are currently home to 6 Ramanujam Fellows, 9 INSPIRE Fellows, and 2 Ramalingaswami Fellows.

BENEFITS

UNPARALLELED RESEARCH SUPPORT

- * Attractive start-up grants (with no upper limit restrictions)
- * Separate budget for procuring high-end research infrastructure
