**Job Description**

University of Massachusetts Dartmouth  
Full Time Lecturer - Physics

The Department of Physics in the College of Engineering at the University of Massachusetts Dartmouth invites applications for a Full-Time Lecturer position. This is a 9-month, non-tenure-track position with primary responsibilities for undergraduate laboratory and classroom teaching.

The University of Massachusetts Dartmouth is located in the beautiful ocean side community of Dartmouth, about an hour south of Boston, half-hour east of Providence, and half-hour west of Cape Cod. It offers a world-class education to more than 9,300 undergraduate and graduate students each year in over 40 undergraduate and 23 graduate programs offered by the College of Engineering, College of Nursing, Charlton College of Business, College of Arts and Sciences, College of Visual and Performing Arts, School of Law and School for Marine Science and Technology.

The College of Engineering is comprised of six departments: Bioengineering, Civil and Environmental Engineering, Computer and Information Science, Electrical and Computer Engineering, Mechanical Engineering, and Physics. We offer 8 undergraduate degree programs, 8 concentrations, 11 graduate programs, and 8 accelerated BS-MS programs that serve more than 1,300 students. Our goals are to prepare graduates to meet 21st-century technological challenges and improve the well-being of society; create new knowledge in engineering, technology, and computer science; and engage and develop students to become leaders in their fields through service and scholarship.

For more information about this position, including qualifications and how to apply, please navigate to our website at UMass Careers. All interested applicants should submit a letter of interest; curriculum vitae; the contact information for at least three professional references; and a one-page statement of teaching interests and philosophy.

Applicants must be authorized for employment in the U.S. on a full-time basis. Employment-based visa sponsorship not available.

The review of applications will begin November 9, 2021

UMass Dartmouth...Future Ready!

UMass Dartmouth distinguishes itself as a vibrant, public research university dedicated to engaged learning and innovative research resulting in personal and lifelong student success. UMass Dartmouth values excellence, diversity, transparency, student-centeredness, accountability, innovation, engagement, collaboration, collegiality and safety.

Effective September 27, 2021, UMass Dartmouth requires that all members of the campus community are fully vaccinated against COVID-19 and provide proof of vaccination.

UMass Dartmouth reserves the right to conduct background checks on potential employees.

### **EEO/AA Policy**

UMass Dartmouth employees and applicants for employment are protected by federal laws, Presidential Executive Orders, and state and local laws designed to protect employees and job applicants from discrimination on the basis of race, religion, color, sex (including pregnancy, gender identity, and sexual orientation), national origin, age, disability, family medical history or genetic information, military service, veteran status or other non-merit-based factors.
