academic year 2023-2024. Terms of employment, including salary, relocation, and start-up packages are competitive and on par with similar offers by universities in North America.

Requirements:

1. Candidates must have either:

- A Ph.D. in Computer Science or a related field **or**
- A master's degree and 4 years of relevant professional experience.

Candidates with superb communication skills or teaching/training experience are strongly invited to apply.

2. Effective oral and written communication in English is required, as English is the official language of the Institute.

To Apply:

To apply, please submit the following materials to facultysearch@scupi.cn:

Please note that incomplete applications will not be reviewed.

1. Curriculum vitae
2. Statement of Teaching includes subject areas and courses that the candidate is qualified to teach
3. Name and contact information of at least three references

We encourage candidates to send applications as soon as possible. The review process will continue until the positions are filled.

Additional Information?

SCUPI is an academic entity jointly established by Sichuan University and the University of Pittsburgh. Approved by China's Ministry of Education in 2014, SCUPI is one of the large-scale partnerships between a top US university and a top-rate Chinese university. SCUPI now enrolls around 850

undergraduate students in five majors, including Computer Science, Electrical and Computer Engineering, Industrial Engineering, Materials Science and Engineering, and Mechanical Engineering. The technical curricula of SCUPI comply fully with those taught at the Swanson School of Engineering (SSOE) and the School of Computing and Information (SCI) of the University of Pittsburgh. SCUPI will continue to grow in size and discipline. Along with this strategic plan, a new SCUPI building is near completion. This new space and facilities will offer vast opportunities for innovations in education, research, and career development. Faculty and students benefit from the resources, support, and diverse environment fostered by Sichuan University, the University of Pittsburgh, and other partnering institutions around the globe.
