Apply By Email	
Job Description	

The Department of Psychology at Tufts University is seeking applicants for a tenure-track assistant professor position in neuroscience to begin September 1, 2023. Area of specialization is open, with preference given to neuroscientists studying psychological phenomena in humans or small animals from an affective or behavioral neuroscience perspective, and to research programs that bridge directly to existing department research foci.

Qualifications

The successful applicant will have a Ph.D. (or be ABD) in psychology, neuroscience, or a related discipline, and an active research program capable of supporting extramural funding. Special

consideration will be given to applicants with demonstrated professional commitments to Diversity, Equity, and Inclusion priorities and to embracing open and reproducible science. Teaching load will be four courses per year as part of our undergraduate and graduate programs, with opportunities for workload reductions related to service, training, and advising.

Application Instructions

Applicants should submit to <http://apply.interfolio.com/111150> the following: a cover letter; a C.V.; a statement of research accomplishments and future plans; copies of no more than three representative scholarly papers; a statement of teaching philosophy, experience, and potential courses to be taught; three confidential letters of recommendation, submitted directly to interfolio; and a diversity statement that describes the candidate's aspirations and potential for promoting diversity, equity, and inclusion in their professional career.

Please contact Rob Kim, Department Manager, robert_s.kim@tufts.edu with questions. Review of applications will begin October 15, 2022, and will continue until the position is filled.

All offers of employment are contingent upon the completion of a background check and meeting the University's current [COVID-19 vaccination requirements](#).

EEO/AA Policy

Tufts University, founded in 1852, prioritizes quality teaching, highly competitive basic and applied research, and a commitment to active citizenship locally, regionally, and globally. Tufts University has also committed to becoming an anti-racist institution and prides itself on the continuous improvement of diversity, equity and inclusion work. Current and prospective employees of the university are expected to have and continuously develop skill in, and disposition for, positively engaging with a diverse population of faculty, staff, and students. Tufts University is an Equal Opportunity/Affirmative Action Employer. We are committed to increasing the diversity of our faculty and staff and fostering their success when hired. Members of underrepresented groups are welcome and strongly encouraged to apply. See the University's Non-Discrimination statement and policy here <https://oeo.tufts.edu/policies-procedures/non-discrimination/>. If you are an applicant with a disability who is unable to use our online tools to search and apply for jobs, please contact us by calling the Office of Equal Opportunity (OEO)
