is essential to recruit and retain a diverse faculty to build an inclusive community. Thus, we welcome and encourage applications across the intersections of diverse races, ethnicities, religions, sexual orientations, gender identities, ages, socio-economic backgrounds, political perspectives, cultures, and national origins.

Marian University is a Catholic, comprehensive, regional institution of higher education dedicated to excellent teaching and learning in the Franciscan and liberal arts traditions and offers a multitude of undergraduate, graduate, and professional programs. Marian University has been experiencing significant growth over the last decade and is expanding its academic offerings in many areas.

Essential Duties and Responsibilities:

- Actively engage the Catholic Franciscan mission and identity of Marian University's by modeling the Franciscan Sponsorship Values, honoring the legacy of the founding congregation, promoting unity in diversity, and integrating the Catholic Franciscan intellectual traditions in courses, programs, and services.
- Teach 12 load hours per semester in Human Anatomy, Medical Terminology, and Human Physiology. Course releases may be available for individuals participating in grant writing, research, or developing innovative pedagogy.
- Demonstrate academic excellence, the potential for distinctive contributions to the holistic development of students, an interest in developing interdisciplinary programming, actively participate in the life of the campus, and help advance the mission and values of the university.
- Engage students in research, scholarship, and other professional activities.
- Mentor and advise students through academic advising, clubs, research, and internship opportunities, particularly those of pre-professional or pre-medical programs.
- Participate in the life of the campus and university service, including participation in faculty governance and co-curricular programs.
- Contribute to curriculum development and assessment within the department.
- Actively participate in faculty governance within the department, within the School of Science and Mathematics, and across the university.
- Actively engage the Catholic Franciscan mission and identity of Marian University by modeling the Franciscan Sponsorship Values, honoring the legacy of the founding congregation, promoting unity in diversity, and integrating the Catholic Franciscan intellectual traditions in courses, programs, and services.
