journals, and actively engage in promoting the growth of the UAE University. Candidates will be required to teach Physics courses at undergraduate and graduate levels. Candidates with teaching experience, publication track record in top-tier journals, experience in securing research grants, and student supervision will have an advantage. The candidate is also expected to participate in the department's administrative services as well as community activities. Shortlisted candidates will be interviewed and need to arrange for two letters of recommendation to be emailed to the department chair. The position will remain open until filled. The successful candidate will enjoy a very competitive tax-free salary package, free accommodation, health insurance, children's education, relocation & furniture allowances, and annual airfare tickets. Applicants should submit the complete required application materials online through <https://jobs.uaeu.ac.ae>

### **Minimum Qualification**

The candidate must hold a PhD degree in the area of Experimental solid state/condensed matter physics. Teaching experience and a good number of Q1 publications as determined by the Scimago Journal Ranking system, are an advantage. A successful application will include the following documents: 1. Cover letter stating the capacity you are applying in, why you are applying for this job, and how you could complement the current Faculty's teaching and research capabilities. 2. An updated CV showing (Biodata, academic qualifications, professional experience, work history, publications, conferences, thesis supervisions, research grants, scientific awards, h-index, Google Scholar citations etc.) 3. A Research Statement describing the research program that will be developed and any special instrumentation that will be required (1-2 pages), 4. Teaching statement. NOTE: Incomplete applications will not be shortlisted.

### **Preferred Qualification**

PhD in experimental solid state physics/materials science and teaching experience.
