### **Computer Science for the Bachelor of Design degrees**

#### **The University of Waikato Joint Institute at Zhejiang University City College (NZUWI)**

- Teach object-oriented programming, mobile computing and web development
- Apply your experience of working in an international organisation
- A competitive benefits package is on offer

#### **Ko wai koe? - Who are you?**

Successful candidates will hold a relevant Master's degree with PhD preferred, you will have demonstrated experience teaching to large and small groups of students and knowledge of object-oriented programming (particularly Java and C#), mobile computing (Android) and web development (HTML, CSS, Java, JavaScript, PHP and MySQL). Experience working in an international organisation is essential. Knowledge of Chinese culture, experience of teaching across cultures and the ability to work with students for whom English is not their first language are all important requirements.

#### **Ng? k?rero m? te t?ranga - About the role**

We have an opportunity for a dedicated and motivated academic to contribute to teaching courses in the area of Computer Science in the Bachelor of Design (Interface) and the Bachelor of Design (Media) degrees, taught at the Joint Institute by the Design Group, the School of Computing and Mathematical Sciences.

The Bachelor of Design degrees combine highly creative design and visual communication courses with computer programming courses. The degrees have been created through a unique partnership in consultation with the design industry to meet the increasing demand for experts in design who can fluently understand the digital world.

Current salary range for Professional Teaching Fellows will be in the range of CNY320,000 to CNY455,000 per year dependent on qualifications, skills and experience.

#### **Ko wai m?tou? - Who are we?**

We are proud of our Joint Institute at Zhejiang University City College which is designated as an Institute authorised to deliver NZ (University of Waikato) and Chinese (Ministry of Education) accredited degrees. Currently the Institute offers undergraduate degrees in Media, Design and Finance. All teaching is conducted in English. Into its fifth year of operation, the Institute in Hangzhou
