his/her research findings in refereed journals, and actively engage in promoting the growth of the UAE University. Moreover, candidates should have a strong commitment to teaching excellence and student advising at both the undergraduate and graduate levels. The candidate is also expected to participate in the department's administrative services as well as community activities. Shortlisted candidates will be interviewed and will be asked to arrange for two letters of recommendation to be emailed to the department chair. The position will remain open until filled.

The successful candidate will enjoy a very competitive tax-free salary package, free accommodation, health insurance, children's education, relocation & furniture allowances, and annual airfare tickets. Applicants should submit the complete required application materials online through <https://jobs.uaeu.ac.ae/>

Minimum Qualification

The candidate must hold a PhD degree in the area of Theoretical Solid State/ Condensed Matter physics. Teaching experience and a good number of Q1 publications as determined by the Scimago Journal Ranking system are preferable . A successful application will include the following documents: 1. Cover letter stating the capacity you are applying in, why you are applying for this job, and how you could complement the current Faculty's teaching and research capabilities. 2. An updated CV showing (Biodata, academic qualifications, professional experience, work history, publications, conferences, thesis supervisions, research grants, scientific awards, h-index, Google Scholar citations etc.) 3. A Research Statement describing the research program that will be developed and any special instrumentation that will be required (1-2 pages), 4. Teaching statement.

Preferred Qualification: PhD in Theoretical Solid State/ Condensed Matter physics.
