Please upload your resume/CV for automatic population of information to your Kean application.

- **Your contact information, work experience and education will be automatically filled in. Please review all fields - you will need to verify that the data is accurate.**
- **In the “My Experience” section, you will find a resume/CV upload option where you can submit your cover letter and any other supporting documents you may wish to submit.**

Kean University in Union, New Jersey has grown into a comprehensive, global institution of higher education serving a diverse enrollment of more than 17,000 undergraduate and graduate students. Kean’s mission is to provide an affordable, accessible and world-class education that prepares students to think and respond critically and creatively in a rapidly changing world.

The University continues its legacy as a top producer of teachers in New Jersey and is a growing educational hub in the fields of business, health care and technology. Its six colleges - the College of Business and Public Management; the College of Education; the College of Liberal Arts; the Dorothy and George Hennings College of Science, Mathematics and Technology; Michael Graves College; and the College of Health Professions and Human Services - offer more than 50 undergraduate degrees over a full range of academic subjects. Kean also offers six doctoral degree programs and more than 70 options for graduate study leading to master’s degrees, professional diplomas or certifications.

The University is also a higher education institution within the State of New Jersey, partnering with Ocean County College, in Toms River, New Jersey and Brookdale Community College, in Lincroft, New Jersey, to provide access for students to earn a bachelor's degree from Kean. The Kean Skylands campus, located in Jefferson Township, New Jersey, is designed to serve as an outdoor living laboratory for field-based scientific study and other classroom and field instruction.

Kean faculty members are recognized for teaching distinction, scholarship and service. We are excited to grow our faculty and invite applications for academic year 2024-2025. Faculty positions are ten-month, full-time, tenure-track assignments at the rank of Assistant or Associate Professor, effective for the fall 2024 semester. Teaching assignments may be assigned at any of Kean's New Jersey locations - Union, Ocean, Princeton, Skylands or for Kean Online and may include day, evening and weekend courses. Evening hours are required for teaching graduate course assignments.

All tenure-track faculty are expected to demonstrate a commitment to teaching excellence and an ongoing program of research and publication or creative and performance activity. Participation in curriculum development, student advisement and service at the departmental, college, university and community level is required. Proficiency in a Learning Management System is also required, consistent with University guidelines.

The Dorothy and George Hennings College of Science, Mathematics and Technology

Department of Environmental and Sustainability Sciences (DESS)

Environmental Science - Climate Change and Modeling/Analytics - to teach undergraduate courses in climate change science and modeling/analytics and be instrumental in our new Center for Coastal Research.

The Department has a strong commitment to undergraduate research and offers undergraduate degrees in Environmental Science (BS), Environmental Biology (BS), and Earth Science (BA), and minors in Environmental Health and Sustainability Science. Our degrees are offered primarily out of the

main campus in Union but we also teach our Environmental Biology and Environmental Sciences courses from our Skylands and Ocean State locations. Appointments feature small classes, experiential learning through field and laboratory research and a collaborative team of faculty with national distinction in undergraduate research mentoring. The faculty in DESS are active in field and laboratory research and involve students in every part of their research projects. Interdisciplinary research within and outside of Kean is encouraged.

Qualifications: Doctorate degree in Environmental Science/Biology or a related field; demonstrated scholarly capability; and an established and active independent research agenda is required. ABD candidates will be considered with degree completion by September 1, 2024.

Please submit a cover letter, resume, statement of teaching philosophy and contact information for three professional references. Review of applications will begin immediately and continue until position is filled. Official transcripts are required before appointment. Salary is competitive and commensurate with qualifications and experience. A comprehensive benefits package is included.

Attention current Kean University employees (including part-time Student Assistants, Graduate Assistants, Academic Specialists and Adjuncts): Please apply via the internal career site to ensure consideration as an internal candidate. To apply internally, please log into your Workday account and select the Career icon on your homepage to view available positions.

Additional Information

Kean University complies with the [New Jersey First Act](#) (Senate Bill No. 1730, P.L. 2011, Chapter 70). Any individual newly hired by Kean University will be required to abide by this law and
