**Job Description**

**Job Description**

The United Arab Emirates University is inviting applications for the position of Assistant/Associate Professor in Applied Mathematics. Applicants should hold a Ph.D. in Mathematics. Preference will be given to candidates specializing in Partial Differential Equations. Applicants should be deeply committed to delivering high-quality education at both undergraduate and graduate levels, as well as demonstrating a strong dedication to service. They should showcase research proficiency, enabling the establishment and maintenance of internally and/or externally funded research in Mathematics related to the relevant field of study. Additionally, candidates are expected to publish their research findings in esteemed, peer-reviewed journals. The Department views this position as a crucial step towards establishing UAE University as one of the top universities in the UAE for Applied Mathematics in

undergraduate and graduate training, as well as in interdisciplinary and applied research that will attract industrial partners. To apply, candidates should submit a comprehensive application package comprising a cover letter, a detailed resume, a concise teaching philosophy, a list of courses taught, and three recommendation letters—preferably one focused on research and another on teaching. English proficiency is essential, as it serves as the primary language for instruction and communication. The review of applications will commence immediately and will continue until the position is successfully filled.

### **Minimum Qualification**

Applicants must have an earned doctorate in the applicable field. The ability to teach undergraduate courses is a must. Industrial and professional experience is a plus.

### **Preferred Qualification**

Candidate with a very strong research proficiency. Strong communication skills in English.

### **Special Instructions to Applicant**

Only online applications will be considered.
