Apply By Email

Job Description

The Department of Biology at Tufts University is seeking a part-time lecturer to teach Molecular Biology for Biology majors (Bio 105- Molecular Biology) in Summer 2024 (May 22 - June 28). Course may cover gene structure and function in prokaryotes and eukaryotes, fundamentals of recombinant DNA technology such as mechanisms of DNA replication and repair, recombination, transcription, and protein synthesis. Advanced topics such as translational science, regulation of gene expression during development, transposition, and chromatin structure can be based on current literature. The course normally enrolls 20-30 students and may involve both online and in-person sessions.

Qualifications

Part-time Lecturer for Molecular Biology, Summer 2024
(non-tenure track)
Tufts University

The preferred candidate should have a PhD in a biological field, and prior experience teaching cell and molecular topics.

Application Instructions

Application requirements: All applications are submitted via Interfolio, at <http://apply.interfolio.com/144966>.

Applications should include a cover letter, CV, two letters of recommendation, and student evaluations (if available). The cover letter should include a statement describing the candidate's commitment to diversity, equity, and inclusion. Review will start immediately and continue until the position is filled.

All offers of employment are contingent upon the completion of a background check.

EEO/AA Policy

Tufts University, founded in 1852, prioritizes quality teaching, highly competitive basic and applied research, and a commitment to active citizenship locally, regionally, and globally. Tufts University has also committed to becoming an anti-racist institution and prides itself on the continuous improvement of diversity, equity and inclusion work. Current and prospective employees of the university are expected to have and continuously develop skill in, and disposition for, positively engaging with a diverse population of faculty, staff, and students. Tufts University is an Equal Opportunity/Affirmative Action Employer. We are committed to increasing the diversity of our faculty and staff and fostering their success when hired. Members of underrepresented groups are welcome and strongly encouraged to apply. See the University's Non-Discrimination statement and policy here <https://oeo.tufts.edu/policies-procedures/non-discrimination/>. If you are an applicant with a disability who is unable to use our online tools to search and apply for jobs, please contact us by calling the Office of Equal Opportunity (OEO) at 617-627-3298 or at oeo@tufts.edu. Applicants can learn more about requesting reasonable accommodations at <https://oeo.tufts.edu/>.
