<b>Job Description</b>	

### Job Description

The United Arab Emirates University invites applications for a faculty position at the Assistant or Associate Professor level in the area of Biochemistry. We seek candidates with a strong commitment to teaching excellence and student advising at both undergraduate and graduate levels. The successful candidates will demonstrate a robust research capability that will enable them to develop and sustain an internally and externally funded research program in their area of expertise, publish in top-tier refereed journals, and actively contribute to the growth of UAE University.
