**Apply By Email**

**Job Description**

**Job Description**

Bridge is a six-weeks challenging summer program which helps the pre-freshmen participants begin their transition to Stevens; it introduces them to the academic realities of the Stevens undergraduate experience and helps them to begin developing academic, social, and other support networks.

A successful candidate will be required to develop a syllabus in the relevant subject area, which prepares the students for the respective Fall curriculum, and includes in-person lectures, homework assignments, regularly administered assessments (e.g., tests/quizzes/examinations, etc.) and when

possible, a special research or project. They will be assigned at least two undergraduates who will be their in-class assistants, liaisons, and tutors.

The required textbook and other academic support material for the course will be identified by the corresponding academic department and provided by STEP.

### **QUALIFICATIONS**

- Graduate degree in related field required (PhD in progress preferred).
- Prior teaching experience at Stevens, and familiarity with Stevens' Undergraduate curriculum
- Strong verbal communication skills required

Employment from Mon, June 24th - Fri, Aug 2nd.

### **Department**

Stevens Technical Enrichment Program

### **General Submission Guidelines:**

Please submit an online application to be considered a candidate for any job at Stevens. Please attach a cover letter and resume with each application. Other requirements for consideration may depend on the job.
