A Project Officer position is available in the laboratory of Associate Professor Miao Yansong, School of Biological Sciences, Nanyang Technological University, Singapore. The project aims to apply structural-based knowledge to protein engineering to understand protein physical-chemical properties, biochemical functions, and phase separation.

Key Responsibilities:

- Molecular Cloning
- Protein purification and protein engineering
- Protein Biochemical and biophysical characterization

Job Requirements:

- Bachelor of Science in Biological Sciences, Bioengineering or relevant field
- Experience in protein biochemistry or advanced fluorescence imaging

The College of Science seeks a diverse and inclusive workforce and is committed to equality of opportunity. We welcome applications from all and recruit on the basis of merit, regardless of age, race, gender, religion, marital status and family responsibilities, or disability.

We regret that only shortlisted candidates will be notified.
