**Job Description**

The Department of Geosciences at Auburn University invites applications for a new Postdoctoral Fellow position in Community Geography and Community Geographic Information Systems.

The Postdoctoral Fellow position is for an initial appointment of 1 year, with opportunity for renewal for additional years with successful annual reviews and continued funding support. The successful candidate will conduct collaborative and independent research in the areas of community geography and GIS and engage in community-based education and outreach activities. The successful candidate will co-lead the [Citizen Science GIS](#) lab's broader research and education efforts (e.g., community geography, GIS, UAV/drones, geoscience education, student mentoring, fieldwork, and outreach). The successful candidate will also play a leadership role in the development of Geo Explorer Labs, a fleet of mobile science labs on 35 feet Class A RVs that support K-12 students and educators in learning

about geoscience technologies.

The Department of Geosciences is part of the College of Sciences and Mathematics at Auburn University, located in Auburn AL. Applicants are encouraged to visit the AU website to learn more about the Department of [Geosciences](#), as well as the College of Sciences and Mathematics (<http://www.auburn.edu/cosam>).

To apply, please upload: 1) a cover letter, 2) a curriculum vitae, 3) a two-page statement of research interests connecting existing work and future plans to the goals of Citizen Science GIS and Geo Explorer Labs, and 4) contact information for three professional references.

Questions about the position can be directed to Dr. Timothy L. Hawthorne at [tlh0069@auburn.edu](mailto:tlh0069@auburn.edu). Start dates are somewhat flexible, but a start date no later than January 2025 is desired.
