**Apply By Email**

**Job Description**

The Department of Physics & Astronomy (<https://pa.as.uky.edu/>) in the College of Arts & Sciences at the University of Kentucky in Lexington, KY seeks to fill a tenure-eligible faculty position at the Assistant Professor level with expertise in the field of Theoretical Physics. This is a 9-month position in the regular title series with an anticipated start date of August 1, 2025. We encourage candidates whose research portfolios include work on applications of quantum information theory, broadly defined, to quantum many-body physics, quantum field theory, or quantum gravity to apply.

A Ph.D. in Physics or a related field is required. A record of research excellence is expected. As a department, we are strongly committed to creating an inclusive and effective teaching, learning, and working environment.

In order to be considered a candidate, applicants will need to complete the following two steps:
