**Apply By Email**

**Job Description**

The Department of Chemistry and Biochemistry at Auburn University invites applications for a nine-month, tenure-track faculty position at the rank of Assistant Professor in Organic Chemistry. Candidates in all areas of organic chemistry are encouraged to apply. The successful candidate is expected to develop a vigorous, externally funded research program. Duties also include teaching at both the undergraduate and graduate levels.

Please submit a cover letter, curriculum vitae, statements of research plans and teaching philosophy, as well as information for three professional references.

At the College of Sciences and Mathematics, we value the land-grant mission of the university. We are committed to broadening access to higher education in order to cultivate culturally competent professionals. Our department is a community of 28 research and teaching faculty and over 89 graduate students. Additional information about the Department of Chemistry and Biochemistry is
