Job Description

The Department of Mathematics and Statistics at Auburn University invites applications for two assistant professor, nine-month, tenure-track positions in Statistics/Data Science (DS)/Topological Data Analysis (TDA), beginning on August 1, 2025. Candidates with expertise in all areas of statistics, topological data analysis (TDA), and data science are desired. Successful candidates are expected to pursue independent research and teach courses at both the undergraduate and graduate levels.

The Department of Mathematics and Statistics at Auburn University boasts a dynamic faculty of over 50 members, specializing in a diverse range of mathematical, statistical, and data science fields. This diversity and the strengths of our faculty create a stimulating environment for both research and teaching. As a prospective faculty member, you will find vibrant, emerging research areas that complement both theoretical and applied data science. The department offers a Ph.D. program and various MS programs, including a new MS program in Data Science. Auburn University's strong
