Job Description

The Department of Mathematics and Statistics at American University of Sharjah (AUS) invites applications for three full-time faculty positions at the rank of Assistant or Associate Professor, with a start date of August 2025. Applicants with strong research profiles in all areas of mathematics will be considered. However, **one of these positions is designated for numerical analysis**, and candidates applying for this position should demonstrate strong expertise in developing analytical, numerical and/or computational mathematical methods.

JOB QUALIFICATIONS: All candidates must hold a PhD in Mathematics or Applied Mathematics and

have experience in North American-style education. Applicants should demonstrate a strong research background, evidenced by high-quality publications in top-tier journals. Successful candidates will be expected to maintain an active research program, supervise master's and PhD students, secure research grants, and engage in international collaborations. Evidence of excellence in teaching across all curriculum levels and strong communication skills in English are required.

APPLICATION PROCEDURE: A complete application consists of two PDF files. The first file contains a cover letter, a research statement and a teaching statement. The second file contains the candidate's curriculum vitae and contact details for three references. These references should provide letters of recommendation commenting on the applicant's research abilities, with at least one letter addressing the applicant's teaching abilities.

For full consideration, applications must be received by **December 1, 2024**. Only shortlisted candidates will be contacted. Positions are open until filled. Apply at <https://acg-apps1.aus.edu/cas/empapp/apply.php?p=MTH-25-01>.

ABOUT THE DEPARTMENT: The Department of Mathematics and Statistics at AUS offers diverse programs, including a PhD in Mathematics, Master of Science in Mathematics, a Bachelor of Science in Mathematics, and minors in applied and computational mathematics, actuarial mathematics, and data science. Our student body covers a large array of nationalities and enjoys a diverse and inclusive environment. The department currently consists of 24 full-time faculty members who are actively engaged in original research in different areas of mathematics and statistics. Learn more about the department at www.aus.edu/cas/department-of-mathematics-and-statistics.

ABOUT THE UNIVERSITY: American University of Sharjah is a not-for-profit, independent, coeducational institution of higher education formed on American models but thoroughly grounded in Arab culture. Located in University City, Sharjah, AUS offers undergraduate and graduate degree programs to more than 5,800 students from approximately 90 nations with diverse backgrounds. English is the language of instruction and the workplace. AUS has been ranked among the top ten Arab universities by QS World University Rankings every year for the past nine consecutive years.

Situated nearby Sharjah International Airport in the expansive University City area, and only 30 minutes from Dubai International Airport, AUS is located in a dynamic and cosmopolitan area that includes abundant opportunities for travel, entertainment, cultural experiences and natural beauty. Salary and benefits are competitive.

AUS is licensed and its programs are accredited by the Commission for Academic Accreditation of the Ministry of Education's Higher Education Affairs Division in the United Arab Emirates. AUS has been
