Job Description	

The Department of Mathematics and Statistics at American University of Sharjah (AUS) is accepting applications for a full-time, regular faculty position at the rank of Assistant Professor, commencing in August 2025. In exceptional cases, an appointment at a higher rank may be considered.

Applicants with strong research potential in all areas of data science are encouraged to apply. A PhD in Statistics or Mathematics is required by the start date. The successful candidate will be expected to establish an active research program, supervise graduate students, secure research grants and

engage in international collaborations. Evidence of excellence in teaching across all levels of the curriculum and strong communication skills in English are required. Experience in North American-style higher education is highly desirable.

A complete application consists of two PDF files. The first file should include a cover letter, a teaching statement and a research statement. The second file should contain the candidate's curriculum vitae and the contact information of three references for letters of recommendation. At least one reference letter should address the applicant's teaching abilities.

Review of complete applications will begin on December 1, 2024, and will continue until the position is filled. Applications should be submitted at <https://acg-apps1.aus.edu/cas/empapp/apply.php?p=MTH-25-02>.

The Department of Mathematics and Statistics at AUS offers diverse programs, including a PhD in Mathematics, Master of Science in Mathematics, a Bachelor of Science in Mathematics, minors in applied and computational mathematics, actuarial mathematics, and data science. Our student body covers a large array of nationalities and enjoys a diverse and inclusive environment. The department currently consists of 24 full-time faculty members who are actively engaged in original research in different areas of mathematics, statistics and data science. Multidisciplinary and collaborative research is highly encouraged and supported. Learn more about the department at www.aus.edu/cas/department-of-mathematics-and-statistics.

American University of Sharjah is a not-for-profit, independent, coeducational institution of higher education formed on American models but thoroughly grounded in Arab culture. Located in University City, Sharjah, AUS offers undergraduate and graduate degree programs to more than 5,800 students from approximately 90 nations. English is the language of instruction and the workplace. AUS has been ranked among the top ten Arab universities by QS World University Rankings every year for the past nine consecutive years.

Situated nearby Sharjah International Airport in the expansive University City area, and only 30 minutes from Dubai International Airport, AUS is located in a dynamic and cosmopolitan area that includes abundant opportunities for travel, entertainment, cultural experiences and natural beauty. Salary and benefits are competitive.
