Job Description

The [**GeoIDEA \(Geospatial Innovation, Development, and Environmental Applications\) Lab**](#) in the Department of Geosciences at Auburn University in Auburn, AL is seeking a highly motivated Postdoctoral Research Fellow to commence in January 2025 or soon thereafter. The GeoIDEA Lab is comprised of a vibrant group of interdisciplinary students and researchers and is directed by Dr. Stephanie Rogers.

The initial appointment will be for one (1) year, with an opportunity for renewal pending successful annual reviews and continued funding support. The successful candidate will be expected to oversee existing funded projects, as well as develop their own research directions within the context of the overarching goals of the lab. The candidate will be encouraged to mentor undergraduate and graduate students and participate in outreach events.

Key responsibilities include:
