Job Description

The Department of Computer Science is an internationally-oriented community and home to world-class research in modern computer science, combining research on foundations and innovative applications. With over 40 professors and more than 450 employees from 45 countries, it is the largest department at Aalto University and the largest computer science unit in Finland. Computer science research at Aalto University ranks high in several prominent surveys (47th worldwide and 9th in Europe in Shanghai subject ranking 2019; and 56th worldwide in Times Higher Education subject ranking 2020).

The Department of Computer Science is now looking for summer employees!

We at the Department of Computer Science want to offer motivated students a chance to work on interesting research topics with us. We are looking for BSc or MSc degree students at Aalto or other

universities to work with us during the summer 2025. If you have enjoyed your studies and want to learn more about computer science, this might be your place. We do not expect you to have previous research experience; this could be the start of your bright researcher career! You will be supported by other summer employees and doctoral students & postdocs at the department.

Summer employment typically starts from the beginning of June and lasts until the end of August. The salary range is 2048,84- 2378,71€/month depending on study credits.

Ready to apply?

See the complete list of the available topics at the Department of Computer Science homepage, choose the topic(s) (max. 5) that interest you the most and list them in order of preference on the application form.

Link to the list of topics: [[url=https://www.aalto.fi/en/department-of-computer-science/summer-employee-positions-at-the-department-of-computer-science-2025](https://www.aalto.fi/en/department-of-computer-science/summer-employee-positions-at-the-department-of-computer-science-2025)]Summer employee positions at the Department of Computer Science 2025 | Aalto University

Please submit your application through our recruitment system (‘Apply now!’; link below).

The application form will close on 31st of January 2025 at 23:59 Finnish time (UTC +2).

If you are already working at Aalto University, please apply via our internal Workday system (Internal Jobs) . If you are an Aalto student or visitor, please use your personal email address (not aalto.fi) to apply through the external Open Positions page.

To apply, please share the following application materials with us: * Motivation letter * CV * Up-to-date transcript of records (unofficial is ok)

Are you an international student or coming from abroad?

Please check the Aalto Science Institute AScl internship programme for international summer employees.
