Downloaded On: Jan. 9, 2025 5:35am

Posted Jan. 7, 2025, set to expire May 9, 2025

A Master's degree (NQF Level 9) in Chemistry with at least four (4) years of lecturing experience at tertiary education level and/or industry experience or an equivalent combination of relevant professional experience. Competence to teach General Chemistry, Analytical Principles and Practice. Ability to deal with large class sizes. Excellent English communication skills (oral and written) and a sound knowledge of computers and the latest office software packages is essential. The successful candidate will primarily be responsible for teaching InSTEM Chemistry. A credible record of lecturing, peer-reviewed publications, community engagement, and supervision of students (research) undergraduate level as well as a Doctorate will be an advantage.
