<b>Job Description</b>	

## Requirements

A Master's degree (NQF Level 9) in Physics with a minimum of four (4) years of lecturing experience at the tertiary education level and/or industry experience, or an equivalent combination of relevant professional experience. Competence in teaching General Physics, Electricity, and Magnetism is required. The ability to manage large class sizes is essential. Excellent English communication skills (both oral and written) and a strong proficiency in computer usage, including the latest office software packages, are necessary. The successful candidate will primarily be responsible for teaching InSTEM Physics. A credible record of lecturing, peer-reviewed publications, community engagement, and the supervision of undergraduate research students, as well as the possession of a Doctorate, will be an advantage.
