Downloaded On: Feb. 5, 2025 7:44am

Posted Feb. 4, 2025, set to expire Jun. 30, 2025

Part-time or Full-time

Anticipated start: Spring, 2025, Summer 2025, Fall 2025, and/or Spring 2026

Review timeline: Applicants are considered for positions as needs arise; the existence of this pool does not guarantee that a position is available.

Application Window

Open date: February 2, 2025

Next review date: Monday, Feb 17, 2025 at 11:59pm (Pacific Time)

Apply by this date to ensure full consideration by the committee.

Final date: Monday, Feb 2, 2026 at 11:59pm (Pacific Time)

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

Position description

The Department of Molecular and Cell Biology (MCB) at UC Berkeley invites applications for a pool of non-tenure track Lecturer positions to teach MCB courses as the need arises.

Teaching Responsibilities

We are seeking outstanding lecturers who can teach/co-teach small, medium and large size lecture, seminar and/or laboratory courses in the subject areas listed below:

- Biochemistry, Biophysics and Structural Biology
- Cell Biology, Development and Physiology
- Genetics, Genomics, Evolution and Development
- Immunology and Molecular Medicine
- Molecular Therapeutics

General Duties

In addition to teaching responsibilities, general duties include holding office hours, assigning grades, advising students, preparing course materials (e.g., syllabus), maintaining a course website, and using a learning management system(e.g. bCourses at UC Berkeley, Canvas, etc.).

Qualifications

Basic qualifications (required at time of application)

Minimum Basic Qualifications (at the time of application):

Laboratory Courses and Lecturer Courses: A Master's degree (or equivalent international degree) is required by time of application.

Additional qualifications (required at time of start)

Lecturer Courses: A Ph.D or M.D. degree (or equivalent international degree) is required to teach a lecture course by the time of hire.

Preferred qualifications

Preferred Qualifications (by start date):

Lecture Courses: Documented experience in teaching one of the biological or life sciences at the college level.

Laboratory Courses: Completion of all Ph.D (or equivalent international degree) requirements except dissertation in a biological field or life sciences.

Application Requirements

Document requirements

- Curriculum Vitae - Your most recently updated C.V.
- Cover Letter (Optional)
- Statement of Teaching (Optional)
- Statement on Contributions to Advancing Diversity, Equity, and Inclusion - Statement on your contributions to diversity, equity, and inclusion, including information about your understanding of these topics, your record of activities to date, and your specific plans and goals for advancing equity and inclusion if hired at Berkeley (for additional information go to <https://ofew.berkeley.edu/recruitment/contributions-diversity>).

Reference requirements

- 3 required (contact information only)

About UC Berkeley

UC Berkeley is committed to diversity, equity, inclusion, and belonging. The excellence of the institution requires an environment in which the diverse community of faculty, students, and staff are welcome and included. Successful candidates will demonstrate knowledge and skill related to ensuring equity and inclusion in the activities of their academic position (e.g., teaching, research, and service, as applicable).

The University of California, Berkeley is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, or protected veteran status.

Please refer to the [University of California's Affirmative Action Policy](#) and the [University of California's Anti-Discrimination Policy](#).

In searches when letters of reference are required all letters will be treated as confidential per University of California policy and California state law. Please refer potential referees, including when letters are provided via a third party (i.e., dossier service or career center), to the [UC Berkeley statement of confidentiality](#) prior to submitting their letter.

As a University employee, you will be required to comply with all applicable University policies and/or collective bargaining agreements, as may be amended from time to time. Federal, state, or local government directives may impose additional requirements.

As a condition of employment, the finalist will be required to disclose if they are subject to any final administrative or judicial decisions within the last seven years determining that they committed any misconduct, are currently being investigated for misconduct, left a position during an investigation for alleged misconduct, or have filed an appeal with a previous employer.

- "Misconduct" means any violation of the policies or laws governing conduct at the applicant's previous place of employment, including, but not limited to, violations of policies or laws prohibiting sexual harassment, sexual assault, or other forms of harassment, discrimination, dishonesty, or unethical conduct, as defined by the employer.
