### Job Type:

### Posting Detail Information

### Position Summary

The Department of [Microbiology and Immunology](#), at the University at Buffalo, is seeking a Research Technician 1. Under close supervision of the Principal Investigator, the ideal candidate will:

- Conduct a variety of routine experiments following established procedures and protocols, which may include performing assays, tissue culture, electrophoresis, PCR, DNA extraction, microscopy, animal work and other laboratory techniques.
- The ideal candidate will also record test results, analyze data using basic statistics, maintain laboratory equipment and supplies, and monitor animal colonies.

### Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. We support your growth and development through our career coaching and training department and we qualify as a public service loan forgiveness organization. Learn more about our [benefit packages](#).

### About The University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of America's leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world. Like the city we call home, UB is distinguished by a culture of resilient optimism, resourceful thinking and pragmatic dreaming that enables us to reach others every day. Visit our website to learn more about the [University at Buffalo](#).

As an Equal Opportunity / Affirmative Action employer, the Research Foundation will not discriminate in its employment practices due to an applicant's race, color, religion, sex, sexual orientation, gender identity, national origin and veteran or disability status.
