findings in top-tier refereed journals, and actively engage in promoting the growth of the UAE University. Candidates will be required to teach Physics courses at undergraduate and graduate levels. Candidates with teaching experience, publication track record in top-tier journals, experience in securing research grants, and student supervision will have an advantage. The candidate is also expected to participate in the department's administrative services as well as community activities. Shortlisted candidates will be interviewed and need to arrange for two letters of recommendation to be emailed to the department chair. The position will remain open until filled. The successful candidate will enjoy a very competitive tax-free salary package, free accommodation, health insurance, children's education, relocation & furniture allowances, and annual airfare tickets.

Minimum Qualification

The candidate must hold a PhD degree in Theoretical Physics (preferably in condensed matter physics or quantum systems). Teaching experience and a strong record of research shown through top-tier journal publications. A successful application will include the following documents:

1. Cover letter stating the capacity you are applying in, why you are applying for this job, and how you could complement the current Faculty's teaching and research capabilities.
2. An updated CV showing (Biodata, academic qualifications, professional experience, work history, publications, conferences, thesis supervisions, research grants, scientific awards, h-index, Google Scholar citations etc.)
3. A Research Statement describing the research program that will be developed and any special instrumentation that will be required (1-2 pages),
4. Teaching statement.

Preferred Qualification

PhD in Physics

Expected Skills

Assistant or Associate Professor with good teaching and research experience.
