Summer 2025

Review timeline: Screening of applications begins immediately. This is for Summer 2025 only. The number of positions will vary, depending on the needs of the Department. The existence of this pool does not guarantee that a position is available. See the review date specified in AP Recruit to learn whether the Department is currently reviewing applications for a specific position. If there is no future review date specified, your application may not be considered at this time.

Application Window

Open date: March 14, 2025

Most recent review date: Friday, Apr 4, 2025 at 11:59pm (Pacific Time)

Applications received after this date will be reviewed by the search committee if the position has not yet been filled.

Final date: Monday, Jun 30, 2025 at 11:59pm (Pacific Time)

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

Position description

The Department of Chemistry at the University of California, Berkeley invites applications for a pool of temporary instructors, should an opening arise, to assist in teaching discussions and lab sections primarily in general and organic chemistry courses and other courses if needed. Duties include grading, attending instructional team meetings, holding office hours, and assisting with other teaching duties as needed. Candidates will support the primary instructors assigned to the courses.

The Department is interested in candidates who will contribute to diversity and equal opportunity in higher education through their teaching or other related activities.
