Summer 2025

Review timeline: Screening of applications begins immediately. This is for Summer 2025 only. The number of positions will vary, depending on the needs of the Department. The existence of this pool does not guarantee that a position is available. See the review date specified in AP Recruit to learn whether the Department is currently reviewing applications for a specific position. If there is no future review date specified, your application may not be considered at this time.

Application Window

Open date: March 20, 2025

Next review date: Friday, Apr 4, 2025 at 11:59pm (Pacific Time)

Apply by this date to ensure full consideration by the committee.

Final date: Monday, Jun 30, 2025 at 11:59pm (Pacific Time)

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

Position description

The Department of Chemistry at the University of California, Berkeley invites applications for a pool of temporary instructors to serve as the primary instructor, should an opening arise, to teach and lead courses offered by the Department of Chemistry. This includes grading, managing instructional team meetings, holding office hours, and other teaching duties as needed.
