Posted Apr. 15, 2025, set to expire Jul. 1, 2025

The starting compensation for teaching one course in the summer is \$7,076.

Percent time: 44% to 50% per course, depending on teaching responsibilities.

Anticipated start: For Fall semester appointments start August 1 and AY appointments start 7/1

For Spring Semester: January 1

For Summer Semester: June 20

Review timeline: Appointments for the fall semester are usually reviewed in May, for the spring semester in November, and for Summer in April. Please note: The use of a lecturer pool does not guarantee that an open position exists. See the review date specified in AP Recruit to learn whether the department is currently reviewing applications for a specific position. If there is no future review date specified, your application may not be considered at this time.

Application Window

Open date: April 11, 2025

Most recent review date: Tuesday, Jun 17, 2025 at 11:59pm (Pacific Time)

Applications received after this date will be reviewed by the search committee if the position has not yet been filled.

Final date: Saturday, Apr 11, 2026 at 11:59pm (Pacific Time)

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

Position description

The Department of Mathematics at the University of California invites applications for a pool of qualified non-tenure track lecturers to teach a range of mathematics courses.

Teaching Responsibilities: We are seeking outstanding lecturers capable of teaching one or more courses in the undergraduate mathematics curriculum. Courses will be assigned on an as-needed basis. Willingness to work within the established UC Berkeley Mathematics curriculum and uphold the department's teaching standards is required.

General Duties: In addition to teaching responsibilities, general duties include holding office hours, assigning grades, advising students, preparing course materials (e.g., syllabus), maintaining a course website, and using a learning management system (e.g., bCourses at UC Berkeley, Canvas, etc.). Qualifications

Basic qualifications (required at time of application)

Applicants must have an advanced degree or be enrolled in an advanced degree program at the time of application.

Additional qualifications (required at time of start)

An advanced degree is required by the start date.

Preferred qualifications

PhD (or equivalent international degree) in Mathematics or related field, demonstrated excellence in teaching, and documented experience in teaching college level.

Application Requirements

Document requirements

- Curriculum Vitae - Your most recently updated C.V.
- Statement of Teaching - Please discuss prior teaching experience, teaching approach, and future teaching interests. This can include, for example, specific efforts and future plans to support the success of all students through curriculum, classroom environment, and pedagogy.
- Teaching Documentation - Teaching materials, such as past syllabi, and/or student evaluations

Reference requirements

- 2-3 required (contact information only)

UC Berkeley is committed to diversity, equity, inclusion, and belonging in our public mission of research, teaching, and service, consistent with [UC Regents Policy 4400](#) and University of California Academic Personnel policy ([APM 210 1-d](#)). These values are embedded in our [Principles of Community](#), which reflect our passion for critical inquiry, debate, discovery and innovation, and our deep commitment to contributing to a better world. Every member of the UC Berkeley community has a role in sustaining a safe, caring and humane environment in which these values can thrive.

The University of California, Berkeley is an Equal Opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, or protected veteran status.

For more information, please refer to the [University of California's Affirmative Action and Nondiscrimination in Employment Policy](#) and the [University of California's Anti-Discrimination Policy](#).

In searches when letters of reference are required all letters will be treated as confidential per University of California policy and California state law. Please refer potential referees, including when letters are provided via a third party (i.e., dossier service or career center), to the [UC Berkeley statement of confidentiality](#) prior to submitting their letter.

As a University employee, you will be required to comply with all applicable University policies and/or collective bargaining agreements, as may be amended from time to time. Federal, state, or local government directives may impose additional requirements.

As a condition of employment, the finalist will be required to disclose if they are subject to any **final** administrative or judicial decisions within the last seven years determining that they committed any misconduct.

- "Misconduct" means any violation of the policies or laws governing conduct at the applicant's previous place of employment, including, but not limited to, violations of policies or laws prohibiting sexual harassment, sexual assault, or other forms of harassment or discrimination, as defined by the employer.
- [UC Sexual Violence and Sexual Harassment Policy](#)
- [UC Anti-Discrimination Policy](#)
