Job Description

Job Description

The Department of Computer Science (CS) in the Charles V. Schaefer, Jr. School of Engineering and Science (SES) at Stevens Institute of Technology (Stevens) invites applications for non-tenure track, teaching faculty positions to begin in September 2025. The rank of the appointment will depend on experience and qualifications.

Headquartered in a brand new, 65,000 square foot, state-of-the-art academic building, our department

is home to innovative research labs on AI, machine learning, computer vision, big data analytics, programming languages, cryptography, computer security, and software systems. Our researchers are the core of the Stevens Institute for Artificial Intelligence, an interdisciplinary research center at the forefront of AI that brings together over 100 faculty members across the University.

Responsibilities: Successful candidates are expected to have a strong commitment to excellence in teaching at both the graduate and undergraduate level. They are also expected to advise students, supervise them in research, and contribute to the intellectually vibrant, highly interdisciplinary, collaborative, diverse, innovative, and entrepreneurial culture at Stevens.

Required Education and Experience: Applicants must have earned a Ph.D. in computer science or a related discipline. The department especially seeks candidates with a strong background in systems and security but will consider applications in all areas of computer science.

Academic Submission Guidelines: Applications will be reviewed on a rolling basis and will be accepted until the positions are filled. Applications received by February 15, 2025 will receive full consideration. All applications must be submitted electronically at https://academicjobsonline.org/ajo/stevens. To apply, please submit the following items –

- Cover Letter
- Curriculum Vitae
- Teaching Statement that includes a) teaching interests, b) teaching philosophy, and c) a plan on how to create an inclusive environment for students of all backgrounds in terms of classroom teaching, student advising, and graduate student mentoring
- Contact info for at least three references

For any questions, please contact the Search Committee Chair, Professor Sandeep Bhatt, at Sandeep.bhatt@stevens.edu.
