Posted Jul. 9, 2025, set to expire Oct. 31, 2025

**Percent time:** Dependent upon position, ranging from part-time to full-time (10%-100%)

**Anticipated start:** Academic year (AY) appointments start 7/1/2025; Fall semester appointments start 8/1/2025; Spring semester appointments start 1/1/2026 and Summer appointments run from May - August.

**Review timeline:** Applicants are considered for positions as needs arise; the existence of this pool does not guarantee that a position is available.

**Position duration:** Semester, AY, and Summer (6-10 weeks, depending on session)

**Application Window**

**Open date:** June 2, 2025

**Most recent review date:** Monday, Aug 18, 2025 at 11:59pm (Pacific Time)

Applications received after this date will be reviewed by the search committee if the position has not yet been filled.

**Final date:** Monday, Jun 1, 2026 at 11:59pm (Pacific Time)

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

**Position description**

The Department of Neuroscience (NEU) at UC Berkeley invites applications for a pool of non-tenure track Lecturer positions to teach NEU courses as needed. Typically, lecturers will be hired to teach or co-teach a single course in a given semester or summer session. In rare occasions, a lecturer may be hired to teach or co-teach in several courses in the same semester.

*Teaching Responsibilities*

We are seeking outstanding lecturers who can teach/co-teach small, medium and large size lectures, seminar and/or laboratory courses in the subject areas listed below:

- Broad survey courses in neuroscience
- Molecular, cellular and developmental neuroscience
- Circuit, systems, and behavioral neuroscience
- Cognitive neuroscience
- Computational neuroscience

Posted Jul. 9, 2025, set to expire Oct. 31, 2025

- Neurotechnology
- Laboratory courses in the above areas
- Scientific communication and writing

*General Duties*

In addition to teaching responsibilities, general duties include holding office hours, assigning grades, advising students, preparing course materials (e.g., syllabus), maintaining a course website, and using a learning management system( e.g. bCourses at UC Berkeley, Canvas, etc.).

**Department:** <https://neuroscience.berkeley.edu/>

**Qualifications**

**Basic qualifications** (required at time of application)

Minimum Basic Qualifications (at the time of application):

- Laboratory Courses and Lecturer Courses: A Master's degree (or equivalent international degree) is required by time of application.

**Additional qualifications** (required at time of start)

Lecturer Courses: A Ph.D or M.D. degree (or equivalent international degree) is required to teach a lecture course by the time of hire.

**Preferred qualifications**

Preferred Qualifications (by start date):

- Lecture Courses: Documented experience in teaching one of the biological or life sciences at the college level.
- Laboratory Courses: Completion of all Ph.D (or equivalent international degree) requirements except dissertation in a biological field or life sciences.

**Application Requirements**

**Document requirements**

- Curriculum Vitae - Your most recently updated C.V.
- Cover Letter (Optional)
- Statement of Teaching (Optional)

### About UC Berkeley

UC Berkeley is committed to diversity, equity, inclusion, and belonging in our public mission of research, teaching, and service, consistent with [UC Regents Policy 4400](#) and University of California Academic Personnel policy ([APM 210 1-d](#)). These values are embedded in our [Principles of Community](#), which reflect our passion for critical inquiry, debate, discovery and innovation, and our deep commitment to contributing to a better world. Every member of the UC Berkeley community has a role in sustaining a safe, caring and humane environment in which these values can thrive.

The University of California, Berkeley is an Equal Opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, or protected veteran status.

For more information, please refer to the [University of California's Affirmative Action and Nondiscrimination in Employment Policy](#) and the [University of California's Anti-Discrimination Policy](#).

In searches when letters of reference are required all letters will be treated as confidential per University of California policy and California state law. Please refer potential referees, including when letters are provided via a third party (i.e., dossier service or career center), to the [UC Berkeley statement of confidentiality](#) prior to submitting their letter.

As a University employee, you will be required to comply with all applicable University policies and/or collective bargaining agreements, as may be amended from time to time. Federal, state, or local government directives may impose additional requirements.

As a condition of employment, the finalist will be required to disclose if they are subject to any **final** administrative or judicial decisions within the last seven years determining that they committed any misconduct.
