**Job Description**

**Job Description**

Stevens Institute of Technology, located in Hoboken, New Jersey, is a premier, private research university known for its excellence in engineering, science, technology, and business education. With a rich history of innovation and a forward-thinking approach to learning, Stevens prepares students to become future leaders in a rapidly evolving, tech-driven world. Each summer, Stevens welcomes motivated high school students from across the country to participate in its dynamic Pre-College Programs.

These immersive, hands-on academic experiences introduce students to college-level learning in disciplines such as engineering, computer science, business, cybersecurity, and more—all while giving them a taste of campus life and preparing them for the college admissions journey. As a Teaching

Assistant (TA) in the Pre-College Program, you'll play a critical role in supporting faculty instruction, mentoring high school students, and fostering an engaging, inclusive, and academically enriching environment. This is an exciting opportunity to inspire future college students, gain valuable teaching experience, and contribute to the success of a nationally recognized program.

- Assist pre-college faculty in instructional activities and classroom management
- Support student learning during lectures and hands-on projects
- Help maintain engagement with students, and foster a positive classroom environment
- Collaborate with fellow TAs to prepare materials, coordinate group work, and monitor student progress
- Provide both academic support and general guidance to high school participants

### Department

Office of Summer Pre-College Program

### Compensation Range

In compliance with the New Jersey Wage Transparency Act, the hourly base range for this position is \$30 - \$50. This range represents the University's good faith estimate of possible compensation at the time of posting. Stevens Institute of Technology determines compensation based on factors including the position's scope and responsibilities, the candidate's experience, education, skills, internal equity, market data, and organizational considerations. The final salary will be set considering departmental budget, qualifications, and relevant credentials. This pay range represents base pay only and excludes additional forms of compensation, such as incentives, stipends, or other applicable pay components. For a full overview of our benefits offerings, please refer to the Stevens Institute of Technology Benefits Guidebook, available at:
